

Introducing

Children's University

INFORMATION FOR PARENTS AND CARERS

What is Children's University?

It's a school programme that recognises and celebrates learning outside lesson time.
Children can...

Search for fun activities, clubs and things to do at home

Collect credit coins and skills points for taking part

Unlock awards and celebrate their achievement

How does it work?

1

Sign up!

Children receive a Passport book and login details for the Aspire website when they join.

2

Search for fun activities on Aspire

Choose from thousands of activities, including

- Sports
- Reading
- Dance
- Youth clubs
- Libraries
- Museums
- Music
- Science
- Drama
- Online
- Outdoors
- At home

3

Log completed activities to collect credits

After 30 credits, children unlock their first award, celebrating their unique talents and achievements!

How do we sign up?

Complete the [membership form](#) to register your child. Your child's school will take it from there.

FREE to join

Suggest activities

Does your child already take part in local clubs or activities?

Invite activity providers to join Children's University so your child can collect credits for taking part.

Activity providers can register at the link below:

www.childrensuniversity.scot/personas/learning-providers
