

ADULT HIGH SCHOOL SPECIAL ENROLLMENT PROGRAM

Peralta's Adult High School Special Enrollment Program provides enrichment opportunities for adult high school students who can benefit from college level instruction.

*Each college may admit a number of adult high school students in the GED or high school diploma program who have exceptional ability, or who desire specialized or advanced training. Such admission must be with the recommendation of the high school counselor and principal. **Other high-school students may be admitted on the basis of a contractual arrangement between the District and the high school of attendance (PCCDBP 5010).*

Adult high school students enrolling in a College Level course must meet assessment requirements. The student must follow all the regulations and policies of the college, including adhering to any prerequisite requirements. It is recommended that the student brings an adult high school transcript to assist the college in determining the correct level of courses.

Special part-time adult high school students are exempted from paying the California Community College enrollment fees and all other fees. **Adult high school students enrolled in more than 15.0 units are required to pay enrollment and all other mandatory fees (see the current Peralta Colleges class schedule for current health, campus use and transportation fees).**

Adult High School Special Enrollment is specifically designed to accelerate the academic or vocational career of adult high school students. Access to Special Enrollment is NOT allowed for:

1. Remedial work (any classes in any discipline that are not **college level** and cannot be applied to an associate degree or higher). Remedial course numbers are generally 250 or higher. Check the college catalog for courses that area degree applicable.
2. Work to make up for **failed** high school or middle school classes.
3. Recreation or hobbies.
4. Any class that can be taken at a local high school.

Steps for Adult High School Special Enrollment Program:

1. Go online to www.peralta.edu and click "Apply Now" to complete an admissions application.
2. Search the class schedule and choose a course you would like to take. **You must adhere to any prerequisite requirements.**
3. Complete and take this form to your school counselor to obtain his/her signature and discuss your selection.
4. Obtain your school principal's signature.
5. Take assessment tests and complete orientation if the college pre/co-requisite course has not been completed.
6. Submit your Special Enrollment Form to the Admissions & Records office on campus. You must fill out a separate Special Enrollment Form for each semester you wish to attend.

Units earned will be granted as college credit. It is the adult high school's prerogative to grant adult high school credit for courses taken in the Peralta Colleges. The Office of Admissions and Records will send a transcript to the high school upon request.
