CTE Committee Meeting

Friday, August 7, 2020

Zoom

2:00 p.m. – 4:00 p.m.

District PPE - VC Sata

- Through state (made major purchase of PPE). What PCCD received:
- N95 masks, surgical masks, face shields, thermometers, hand sanitizer
 - 3K masks at District Warehouse
- How to distribute to colleges?
 - Refer to PPE Estimator Excel sheet
 - Daily health checks method still being determined; CDC checker can be embedded to Canvas (actual temperature checks done or not? Many colleges not doing those, not required by many counties.)
 - Several Engineering Solutions requests were submitted late (plexiglass, hand wash sinks, etc.); a challenge to implement late
 - Working w/ Purchasing on receiving PPE (through college storekeepers?) Finalizing details for distribution. Depends on who is actually going to be holding classes on campus.
 - Probably not next week, but the 18th and 20th to receive (goal)
 - Daily health check app:
 - <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>
 - shorter symptom checker link: <https://covid19healthbot.cdc.gov/>
