

CHARTER FOR THE TRUSTEE STUDENT SUCCESS AND ACCREDITATION COMMITTEE OF THE PERALTA COLLEGES

MISSION STATEMENT

The Student Success and Accreditation Committee shall assist the Governing Board in fulfilling its oversight responsibility with respect to educational quality and compliance with legal and regulatory requirements, and ACCJC Standards. The committee is the information gathering body for the Board to ensure the District is accomplishing its goals for student success, previewing data on student learning and achievement, becoming familiar with institutional plans for improving academic quality, ensuring the Board is receiving updates and data on SLOs and assessments, as well as disaggregated data on student success, persistence and retention.

ROLES AND RESPONSIBILITIES

The Committee shall report to the Governing Board on matters requiring its attention and recommend action based on the Committee's review and evaluation of issues related to Student Success, Accreditation, Student Learning Outcomes and all elements related to educational quality, compliance with legal and regulatory requirements.

THE COMMITTEE SHALL:

- Increase the efficiency of the Board of Trustees by performing research and analysis focused on student success and enrollment trends on its behalf
- Review curricular offerings and programs of instructional and student services programs for effective and consistent with District Mission, Vision, Values, policies, practices, strategies and community needs
- Review data and information to recommend Board action and policy regarding enrollment management as part of the overall strategic direction shaping PCCD
- Review data and information to recommend Board action and policy regarding Student Learning Outcomes and Assessments, Student Success, Retention and Persistence
- Review data and information to recommend Board action and policy regarding accreditation recommendations to ensure ongoing institutional effectiveness
- Review data and information to recommend Board action and policy regarding Vision for Success implementation and outcomes
- Review data and information to recommend Board action and policies are implemented and created with a DEI lens around student success, retention and persistence
- Recommend alignment of policy and advocacy with pending local, statewide and federal legislative issues and initiatives that affect or may be of interest to the District
- Provide guidance to the Board on programs recommended by the Chancellor that enhance student success
- Foster an environment of understanding by communicating findings and formulating final recommendations to the Board of Trustees
- Inform the Board, with guidance from the Chancellor, on accreditation matters within the District and receives reports from the Chancellor regarding activities in alignment with ACCJC Standards

It must be recognized and appreciated that this Trustee Committee is an information gathering body, and has absolutely no inherent authority to issue orders or give direction to anyone, including Management of the Institution or their independent contractors.
