Meeting  Oct 27, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type  Information

At this time, the Board of Trustees will listen to communication from the public on matters that are not on the agenda and are within the Board's jurisdiction. Under provisions of the Brown Act, the Board and District staff are prohibited from discussing or taking action on oral requests that are not part of the agenda, but may respond briefly. A maximum of 15 minutes (up to 3 minutes per individual) will be provided for speakers under this agenda section, at the Board President's discretion. A speaker's card must be completed to request to address the Board. Requests to speak which cannot be honored within the time limit will be scheduled for subsequent meetings in the order received. Persons addressing items included on the agenda will be heard at the time the item is considered, and comments on tangential issues not directly related to the item may be ruled out of order. Cards must be received prior to the Board's consideration of the item and are honored in the order the cards are received. A speaker may yield time to another speaker up to a limit of 6 additional minutes, with no more than 5 speakers on the issue, where both have completed a speaker's card, and the yielder must identify him/herself to the Board. Speakers are asked to submit any materials to the Board Clerk and shall not approach the dais during meetings. (Please line-up when your name is called.) Further direction is provided in Board Policy and Administrative Procedure 2345 Public Participation at Board Meetings.

TO: Peralta Board of Trustees

FROM: Interim Chancellor, Dr. Carla Walter

PREPARED BY: Interim Vice Chancellor of Finance & Administration, Adil Ahmed

**Background/Analysis:**

The Board of Trustees is requested to approve the Fiscal Year 2020-21 Adopted Budget for all District funds. It provides an operational budget as of July 1, 2020, from the approved Fiscal Year 2020-21 Tentative Budget in order to meet the requirements of Section 58305, Title 5, of the California Code of Regulations. This is submitted under approval of Resolution 20/21-07, the Continuing Budgetary Authority and based on the State Chancellor’s Executive Order 2020-06, which was issued pursuant to California Community Colleges Board of Governors Resolution No. 2020-01 and Section 52020 of Title 5 of the California Code of Regulations, which extended the deadline for community college districts to issue the 2020-2021 Tentative Budget from July 1, 2020 to August 1, 2020, and extended the deadline to issue the Fiscal Year 2020-2021 Adopted Budget from September 15, 2020 to October 31, 2020, in addition to extending other related deadlines.

The first reading of the proposed 2020-21 budget was held at the September 29, 2020 board meeting. The second reading was held at the October 13, 2020 board meeting.

The attached proposed Fiscal Year 2020-21 Adopted Budget provides a total District Budget of $272,819,978 including income, appropriations, and expenses for all District funds. Also attached are Revision Notes showing changes since each of the readings, as well as Resolution 20/21-07.

Subject: 5.2 First Reading of Berkeley City College’s Institutional Self-Evaluation Report.
Presenter: President Garcia

Meeting: Oct 27, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type: Discussion, Information, Reports

Goals:
- A: Advance Student Access, Equity, and Success
- B: Engage and Leverage Partners
- C: Build Programs of Distinction
- D: Strengthen Accountability, Innovation and Collaboration
- E: Develop and Manage Resources to Advance Our Mission

TO: Peralta Board of Trustees

FROM: Dr. Angélica Garcia

PREPARED BY: Dr. Angélica Garcia and Kuni Hay, Vice President of Instruction and Accreditation Liaison Officer

BACKGROUND/ANALYSIS:

Every seven years, each college within the California Community College system undergoes an Accreditation reaffirmation process conducted by the Accrediting Commission for Community and Junior Colleges (ACCJC). It is a peer evaluation process where the College submits a comprehensive Institutional Self-Evaluation Report (ISER) to ACCJC, followed by a team site visit comprised of community college colleagues from across the state. The Berkeley City College site visit will include meetings and interviews at the College and the District to determine whether BCC meets the ACCJC standards.

Following a comprehensive participatory governance process, the ISER has been developed with the collective input from multiple key campus stakeholders, including students, classified professionals, faculty, administrators. The ISER addresses the 127 Standards, which are organized into four major sections: I) College’s mission, academic quality, institutional effectiveness, and integrity, II) Instruction and student supports, III) Human, physical, technology, and financial resources, and IV) Leadership and governance. The attached draft ISER was endorsed by participatory governance groups and is available for the “first read” with the board of trustees.

DELIVERABLES/SCOPE OF WORK:

N/A

ANTICIPATED COMPLETION DATE:

Final ISER due to ACCJC December 2020.

EVALUATION AND RECOMMENDED ACTION:

Trustees are encouraged to send all comments to Dr. Walter via email by October 30, 2020 at noon. The revised ISER will be presented to the Board for a second reading at its November 10, 2020 meeting.

PREPARED BY:  Dr. Angélica Garcia and Dr. Stacey Shears

BACKGROUND/ANALYSIS:  Berkeley City College is submitting the November Special Report to address the deficiencies and concerns raised by the Accreditation Commission for Community and Junior Colleges (ACCJC) in its January 27, 2020 letter to the College, in which probation status was imposed on the College/District. The aforementioned letter cites that insufficient information was provided in the May 2019 Special Report and the December 2019 Five-year Fiscal Plan submitted to ACCJC by the Peralta Community College District. Since being placed on probation, Berkeley City College has engaged in the necessary self-reflection and internal assessment, and has taken the necessary actions, to ensure that improved fiscal health and institutional accountability are sustained moving forward. The College’s Special Report is submitted to the Board of Trustees for a second read.

TO: Peralta Board of Trustees

FROM: Interim Chancellor, Dr. Carla Walter

PREPARED BY: Brandi Howard, Coordinator of Contracts and Legal Affairs

BACKGROUND/ANALYSIS:

The District utilizes a number of law firms for specialized legal services. The Board is asked to consider the approval of legal service agreements for the firms listed below to assist the District with general legal matters and specialized legal matters as they arise. Currently, outside legal services are directed by the Chancellor, Chief of Staff and other authorized District administrators. Pursuant to the FCMAT recommendations, the District will seek to hire an in-house general counsel after the permanent Chancellor is hired. At that time, the use of outside law firms will change depending on the needs of the District and general counsel. Most of the firms listed below have been providing legal services to the District for some time and the Chancellor is recommending continued support from these firms.

These law firms provide legal services only when requested and the District is billed for work performed at the request of the Chancellor or authorized District administrator. These firms primarily provide services at the direction of the Chancellor’s Office in support of matters related to Board governance, legal matters impacting the District campuses, the Department of General Services and the Department of Finance and the Department of Human Resources matters. The general legal services budget for outside firms is $735,000.00 for 2020-2021. The Department of General Services and the Department of Human Resources also maintain legal services budgets.

DELIVERABLES/SCOPE OF WORK:

Garcia Hernandez Sawhney, LLP (GHS)
GHS specializes in representing public education institutions. GHS provides a range of legal services for PCCD.

8. CONSENT CALENDAR - FACILITIES

Subject     8.1 Consider Approval of the Purchase Agreement with Claridge Products & Equipment, Inc. in the Amount of $88,111.99 to Purchase and Install Whiteboards and Tackboards in the New Center for Liberal Arts Building on the College of Alameda Campus. Presenter: Vice Chancellor Leigh Sata

Meeting     Oct 27, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

TO:   Peralta Board of Trustees

FROM:   Department of General Services

PREPARED BY: Roebellen

BACKGROUND/ANALYSIS:
The New Center of Liberal Arts Project (“NCLA Project”) includes the construction of a new classroom building at the District’s College of Alameda campus. During the construction phase of the NCLA Project, the owner requested substantial changes to the AV system including the whiteboard and tackboard layouts. As a result, the Design-Build-Entity (“DBE”), Overaa and Co., was unable to purchase the necessary whiteboards and tackboards in a reasonable time and the procurement of the products was removed from the DBE’s scope of work.

Although the DBE provided the District with a $42,299.00 credit for the products, the DBE had also issued a proposed change order to cover the anticipated installation costs for the boards in an amount of approximately $60,000.00. As such, the total cost for the District to acquire and install the desired boards was estimated at approximately $102,499.00. Given the size of the change in the anticipated scope of work for the DBE, the NCLA Project team opted to solicit proposals from multiple vendors via the issuance of an informal request for proposals (“RFP”). Three vendors submitted proposals in response to the RFP. A summary of the suppliers and the proposal amounts are listed in the below table.

<table>
<thead>
<tr>
<th>Vendor</th>
<th>Proposal Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Claridge Products&amp; Equipment, Inc.</td>
<td>$88,111.99</td>

<tr>
<td>Interior Motions</td>
<td>$185,827.84</td>
</tr>
<tr>
<td>Progress Glass Co. Inc.</td>
<td>$192,665.00</td>
</tr>
</tbody>
</table>

While the disparity between the proposal amounts the vendors submitted is surprising on its face, the fact that Claridge Products & Equipment, Inc. (“Claridge”) is the direct manufacturer of one of the approved products (all three proposals used Claridge boards) helps explain the difference. Further, as Claridge is furnishing non-construction services and the contract amount is not greater than the annually adjusted statutory limit, which is $95,200 in 2020, Public Contract Code section 250651 (a) authorizes the District to procure a contract with Claridge through direct negotiation.

This is the District’s first contract with Claridge in the fiscal year 2020-2021.

DELIVERABLES/SCOPE OF WORK:
Claridge will deliver and install 107 whiteboards and 47 tackboards in the New Center for Liberal Arts Building located on the College of Alameda campus pursuant to the layouts set forth in the RFP.

ANTICIPATED COMPLETION DATE:
The anticipated completion date for delivery and installation of the whiteboards and tackboards is December 29, 2020.

EVALUATION AND RECOMMENDED ACTION:
The Project Manager, campus staff, the Facilities Planning and Development Director and the Interim Chancellor recommends approval of the Purchase Agreement with Claridge Products & Equipment, Inc. in the amount of $88,111.99 to purchase and install whiteboards and tackboards in the New Center for Liberal Arts Building on the College of Alameda campus.

PREPARED BY: Kitchell CEM

BACKGROUND/ANALYSIS:

The Board is asked to consider Amendment No. 4 (“Amendment”) to the Agreement for Architectural Design Services with AE3 Partners, Inc. (“Agreement”) for the Merritt College Child Care Center (“CCC”). The additional scope of work memorialized in this Amendment adds services for the coordination activities, design scope and calculations required for the PG&E Savings By Design Program (“SBD Program”).

In May 2020, Vice Chancellor Sata requested that the Merritt College Measure G projects pursue the SBD Program which requires energy efficiency enhancements to the project’s design. To qualify, a project must exceed Title 24 Energy efficiency requirements by a minimum of 10 percent. If a project qualifies and if it meets the SBD Program energy efficiency goals, the project will receive a financial incentive for the incrementally measured cost of the efficiency upgrades up to a maximum project cap of $150,000. The District’s CCC project currently meets this requirement.

Amendment No. 4 increases the fee for architectural services in the amount of $24,493 to cover the SBD Program coordination and design requirements for the project. The new Merritt College CCC project is state and locally funded. This is the fourth Amendment to the Agreement. See Table 1.1 below for the history of this Agreement.

AE3 PARTNERS, INC.
11 Embarcadero West Suite 205
AE3 Partners, Inc. is a local Oakland based company, with an additional office in San Francisco (275 Battery Street, Suite 1050, San Francisco, CA 94111; 415-233-9991). They qualify as small local and minority owned and have an internship program that they stated will allow District students to participate. The principal partners are Rick Dumas and Douglas A. Davis, AIA.

**DELIVERABLES/SCOPE OF WORK:**

The additional scope of work memorialized in this Amendment No. 4 includes AE3 Partners, Inc.’s coordination of the collection of additional information and documentation required for submission for the SBD Program. If the CCC Project qualifies and if it meets the SBD Program energy efficiency goals, the project will receive a financial incentive for the incremental measure cost of the efficiency upgrades up to a maximum project cap of $150,000.

**ANTICIPATED COMPLETION DATE:**

The CCC Project is anticipated to be completed by December of 2022.

**EVALUATION AND RECOMMENDED ACTION:**

The Construction Manager, Facilities Planning and Development Director, and Interim Chancellor recommend approval of this Amendment No. 4 to the Agreement for Architectural Design Services with AE3 Partners, Inc. for the Merritt College Child Care Center to increase the fee for architectural design services in the amount of $24,493 to cover the PG&E Savings By Design Program coordination and design requirements for the project.

BACKGROUND/ANALYSIS:

This Independent Consultant Agreement for Professional Services for CEQA Consultant Services (“Agreement”) with Rincon Consulting, Inc. (“Rincon”) allows Rincon to perform the (CEQA) compliance services required for the new Berkeley City College 2118 Milvia Street Project (“Project”).

CEQA requires that all State and local agencies consider the environmental considerations of projects over which they have discretionary authority. It is anticipated that the District will act as the “lead agency” for appropriate CEQA clearance and certifications, and it is important that all environmental issues be assessed, and if necessary, addressed in an appropriate Environmental Impact Report or other document.

An Environmental Impact Report (EIR) is intended to provide decision-makers and the public with information concerning the environmental effects of a proposed project, possible ways to reduce or avoid the possible environmental damage, and identify alternatives to the project. An EIR must also disclose significant environmental impacts that cannot be avoided; growth inducing impacts; effects found not to be significant; as well as significant cumulative impacts of all past, present and reasonably anticipated future.

The District’s procurement process for this Agreement included a comprehensive outreach effort to encourage prospective firms and sub-consultants to respond to the published Request for Proposals for the Project. (“RFP No. 20-21/03”). RFP No. 20-21/03 was formally advertised and four firms submitted proposals in response to RFP No. 20-21/03. Rincon was selected as the consultant that provided the best overall value to the District after District staff and Bond Program consultants evaluated and scored the proposals. The scoring was based on firm experience, client references, staff experience, fee, and SLBE compliance.

DELIVERABLES/SCOPE OF WORK:

The scope of services include the following:

- Prepare all studies and documentation necessary to initiate, process, review, and ultimately obtain certification of a Project Environmental Impact Report or other appropriate environmental documentation (e.g. Negative Declaration) and all required permits that will environmentally-clear approval and implementation of the Project in compliance with CEQA and all applicable environmental requirements, including but not limited to CEQA and all applicable environmental laws, regulations, and requirements emanating from the Environmental Protection Agency (“EPA”), Cal/EPA, Air Quality Management District, State of California and Regional Water Quality Control Board, California Department of Transportation (“CalTrans”), California Department of Fish & Game, and other local agencies as applicable.

- Prepare the Final EIR with responses to comments, findings of fact and, statement of overriding considerations (if applicable), mitigation monitoring program, certifying resolution, notice of determination and related documentation.

- Maintain proper records of all projects for services pursuant to this contract, including, but not limited to, copies of all project correspondence, deliverables, and schedules. All such project records shall be submitted to the District after the completion of the project and shall become property of the District.

ANTICIPATED COMPLETION DATE:

Rincon will complete the required CEQA services by June 30, 2022.

EVALUATION AND RECOMMENDED ACTION:

The Project Manager (Kitchell CEM), Facilities Planning and Development Director, and Interim Chancellor recommend approval of the Independent Consultant Agreement for Professional Services for CEQA Consultant Services with Rincon Consulting, Inc. in the amount of $146,974.00 for the 2118 Milvia Street Project for Berkeley City College.

BACKGROUND/ANALYSIS:
JK Architecture + Engineering (“JK”) is providing architectural services on the District’s New Transportation Technology Center Project (“Project”) under a contract previously approved by the Board and dated March 10, 2020.

As part of the Project, the existing Building E on the College of Alameda campus will need to be demolished. During the course of the Project, additional potential issues relating to the demolition of the building were identified. After due consideration from District staff and discussion with JK, the District directed JK to prepare a proposal for site demolition planning services and corrosion engineering services. Amendment No. 1 amends the scope of services set forth in JK’s existing contract with the District to include these additional tasks and provide a commensurate increase in fees for services rendered.

This is the first amendment to JK’s contract with the District for the Project. See Table 1.1 below for the history of this contract.

Subject 9.1 Conduct Public Hearing on Initial Study/Mitigated Negative Declaration and Proposed College of Alameda Transportation Technology Center Project; and Consider Approval and Adoption of Resolution No. 20/21-13 Adopting the Initial Study/Mitigated Negative Declaration, CEQA Findings, Mitigation Measures, and Mitigation Monitoring and Reporting Program for the Project, and Approving the Project Presenter: Vice Chancellor Sata.

Meeting Oct 27, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type Action

Preferred Date Oct 27, 2020

Absolute Date Oct 27, 2020

Fiscal Impact No

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Atheria Smith, Director of Planning & Development

BACKGROUND/ANALYSIS:
The District is proposing the construction of a one-story, 36,773 assignable square foot (ASF) (approx.) Transportation Technology Center building at its College of Alameda campus to replace the existing 33,127 ASF of Buildings B and E (to be demolished) that are currently used for transportation technology, with said new building to house laboratory spaces (including a paint/auto body lab), teaching spaces (both for occupancy counts of greater than 50 persons and less than 50 persons), utility rooms, offices, tool rooms, mezzanine storage, a library/media room, and restrooms, and would also include construction of a fire lane/pedestrian promenade along the north side of the proposed building (“Project”).

In accordance with the requirements of the California Environmental Quality Act of 1970, as amended (“CEQA”), and CEQA Guidelines, the District has prepared an Initial Study/Mitigated Negative Declaration which evaluates the potential environmental effects of the Project, and a Mitigation Monitoring and Reporting Program (“MMRP”) for the Project, which defines the measures which would be imposed on the Project to mitigate or avoid potentially significant environmental impacts of the Project. The Initial Study/Mitigated Negative Declaration concludes that implementation of the Project will not result in a significant effect on the environment because the mitigation and standard measures described in the Initial Study/Mitigated Negative Declaration and MMRP are included in the Project to reduce potential impacts to a less than significant level. The final Initial Study/Mitigated Negative Declaration is attached as Exhibit A to the Resolution, and the MMRP is attached as Exhibit B to the Resolution.

The Board is required to make certain findings under CEQA, as set forth in the Resolution, when adopting a mitigated negative declaration. Board adoption of the final Initial Study/Mitigated Negative Declaration and MMRP for the Project in compliance with CEQA would allow the District to move forward with the Project if the Project is approved.

District staff recommends that the Board adopt Resolution 20/21-13, adopting the final Initial Study/Mitigated Negative Declaration, CEQA findings, mitigation measures, and MMRP for the Project, and approving the Project.

DELIVERABLES/SCOPE OF WORK:
N/A

ANTICIPATED COMPLETION DATE:
If the Board adopts the Resolution and approves the Project, and if the Board subsequently awards a contract for construction of the Project, construction would be expected to begin in approximately August 2021 and to conclude in December 2022.

EVALUATION AND RECOMMENDED ACTION:
District staff and the Interim Chancellor recommends that the Board adopt Resolution 20/21-13 adopting the Initial Study/Mitigated Negative Declaration, CEQA Findings, Mitigation Measures, and MMRP for the Project, and Approving the Project.

**BACKGROUND/ANALYSIS:**

Resolution 20/21-14 supports the declaration of creating “Undocumented Student Action Week” each year in the third week of October. The Peralta Community College District previously participated in the Undocumented Student Week of Action by engaging in a week-long program of activities in support of undocumented students. The Peralta Community College District, united with other California Community Colleges, urge Congressional members to uphold California values and create a pathway to citizenship for undocumented students, which will permit them to complete their educational goals and achieve their highest potential.

The adoption of this resolution is also in alignment with the Board's adopted Goal II: Diversity, Equity, Inclusion/Social Justice.

**TO:** Peralta Board of Trustees  
**FROM:** President Dr. Angélica Garcia  
**PREPARED BY:** President Dr. Angélica Garcia and Vice President of Student Services Dr. Stacey Shears  

**BACKGROUND/ANALYSIS:** The Peralta Colleges Education Renewal Measure (also commonly referred to as Measure E) is a qualified special tax that is authorized to be used to “support core academic programs such as math, science and English, train students for careers, and prepare students to transfer to four-year universities.” The Peralta Colleges Education Renewal Measure is essentially an extension of the Parcel Tax provision that voters approved in 2012, and continues to direct that proceeds are to be spent “exclusively for instructional purposes with classified expenditures limited to defined instructional support.”

**DELIVERABLES/SCOPE OF WORK:**  
The 2020-22 Parcel Tax allocation for Berkeley City College is $1,506,351 per year, and in accordance with AP 6741 monies will be used to fund:  
1. Core academic programs including Science, Mathematics, English and Technology  
2. Workforce preparation  
3. Career and Job training  
4. Preparation for transfer to 4-year institutions

**ANTICIPATED COMPLETION DATE:**  
June 2022

**EVALUATION AND RECOMMENDED ACTION:**  
Berkeley City College recommends that the Board of Trustees accepts the Parcel Tax Expenditure Plan as meeting the guidelines outlined in Peralta Community College District Administrative Procedure 6741.
The Interim Chancellor recommends approval.

**TO:** Peralta Board of Trustees

**FROM:** Department of General Services

**PREPARED BY:** Swinerton CM

**BACKGROUND/ANALYSIS:**

The Board is asked to ratify this Independent Consultant Agreement for Professional Services with Fugro USA Land, Inc. (“Fugro”) for the provision of geotechnical engineering services (“Agreement”) for the Laney College Central Utility Plant Project (“CUP Project.”) This Agreement is needed to determine the geotechnical conditions at the CUP Project’s new cooling tower building location. The geotechnical borings and subsequent report generated under this Agreement will be provided to the Design-Build CUP Project contractor to be used in designing the foundation system for the new utility building located to the south of Building E.

Government Code section 4526, authorizes the District to contract with and employ any person(s) for the furnishing of engineering or land surveying services on the basis of demonstrated competence and on the professional qualifications necessary for the satisfactory performance of the services required for the CUP Project. District staff has confirmed Fugro is specially trained and experienced and competent to perform the geotechnical engineering services required by the District for the CUP Project.

This is the District’s first contract with Fugro in the fiscal year 2020-2021.

**Contact Information for Fugro:**

Fugro USA Land, Inc. Corporation  
1777 Botelho drive, Suite 262  
Walnut Creek, CA. 94596  
Attn.: Taiming Chen  
Email: T.Chen@fugro.com

**DELIVERABLES/SCOPE OF WORK:**

Fugro will complete the following tasks:
1. Provide data review and pre-field research of all available documents.
2. Prepare safety plan and subsurface utility pre-location.
3. Perform two (2) exploratory borings and three (3) cone penetration tests at the new utility building footprint.
4. Laboratory testing of field soils samples.

**ANTICIPATED COMPLETION DATE:**

https://go.boarddocs.com/ca/peralta/Board.nsf/Public/57
The tasks set forth in the Agreement will be completed by Fugro by August 30, 2021.

EVALUATION AND RECOMMENDED ACTION:

The Project Manager, Vice Chancellor of General Services and Interim Chancellor recommend ratification of the Independent Consultant Agreement for Professional Services with Fugro USA Land, Inc. for the provision of geotechnical engineering services for the Laney College Central Utility Plant Project, in an amount not-to-exceed $65,000.00.

Subject: Consider Ratification of the Revised Memorandum of Understanding between Laney College and Oakland Unified School District for the Operation of the Gateway to College Program during the 20-21 academic year. Presenter: Interim President Besikof

Meeting: Oct 27, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type: Action

Preferred Date: Oct 27, 2020

Absolute Date: Oct 27, 2020

Fiscal Impact: Yes

Dollar Amount: $278,953.52

Budgeted: Yes

Budget Source: 5-11-490-8831-1-672900-0711-00 (Instructional Services for Gateway to College)

TO: Peralta Board of Trustees

FROM: Rudy Besikof

PREPARED BY: Cassandra Upshaw/William Ramos-Ochoa

Item Summary:

BACKGROUND/ANALYSIS:

Gateway to College is a scholarship program that provides academically and economically disenfranchised Alameda County residents 16 – 20 years old with an opportunity to experience success in an academically rigorous, supportive and safe environment as they pursue their high school diplomas and transition into college. Since 2009, Laney College has hosted a Gateway to College program in partnership with Oakland Unified School District. This MOU governs the roles and responsibilities of the two partners in the program: OUSD and Laney College and reflects funding to be provided by OUSD to the projects.

This MOU was previously submitted to, and approved by, the Board at its July 28, 2020 meeting. This revised MOU is now being submitted (which will replace the one approved in July) which contains an updated Exhibit A, which reflects the actual amount of funds that will be provided by OUSD Constituents for the program in the amount of $278,953.52. The updated Exhibit A provided by OUSD is added as separate attachment here and is labeled as "Exhibit A - Gateway Budget 20-21". The prior Exhibit A approved on July 28th Board Meeting contained a higher, forecasted amount calculated by the Laney Business Office based on previous approved MOUs.

DELIVERABLES/SCOPE OF WORK:

Please see attached MOU.

ANTICIPATED COMPLETION DATE:

This MOU will be in effect until June 30, 2021.

EVALUATION AND RECOMMENDED ACTION:

The President of Laney and the Interim Chancellor recommend ratification of this revised Memorandum of Understanding (MOU) between the Peralta Community College District (PCCD), on behalf of Laney College, and the Oakland Unified School District (OUSD) for the operation of a Gateway to College Program during the 2020-2021 academic year.
