

BOARD POLICY 4210 STUDENT LEARNING OUTCOMES

The Peralta Community College District affirms that student learning outcomes represent the knowledge, skills, abilities, attitudes, values, and behaviors that a student has attained at the end (or as a result) of his or her engagement in a particular set of collegiate experiences. The use of learning outcomes assessment results stimulates discussion and directs activities that can improve instructional delivery, curricula, programs, and/or services and will be used in institutional planning and resource allocation.

The Chancellor shall issue an administrative procedure to address learning outcomes and the assessment of those outcomes.
