Peralta Mission Statement Survey

November 17, 2020 2:45 PM MST

Q1 - We would like your input on a potential update to the Peralta Community College

District mission statement. Over the past year, PCCD mission statement review sessions

were conducted at Berkeley City College, College of Alameda, Laney College, Merritt

College, and the District office. We thank the nearly 150 Peralta community members who

participated in that first phase of the mission statement review process. The next phase in

this process is to provide all Peralta employees the opportunity to vote on the proposed

mission statements. Below are five proposed mission statements for the Peralta

Community College District developed by your colleagues. Which statement below is the

most appropriate mission statement for the Peralta Community College District?
