

Welcome to rewardStyle! Founded by an influencer for an influencer, we're here to support you in monetizing your business to be as economically successful as possible. Through our unique tools, strategies, analytics, and resources, you'll generate content that's immediately shoppable! Here's your checklist to get started:

 Set up your rewardStyle account

- [Sign in](#) using your credentials to gain access to unique tools and resources
- Link your PayPal account in Payment Information on your dashboard to prepare for payment

 Prepare to share a link

- Install [Link Ninja](#) to your web browser to create commissionable rewardStyle links
- Use Link Ninja to save products to your Favorites folder and access your links quickly

 Learn how to post a link

- Post your rewardStyle links on your favorite social platforms (*click an icon to learn more*)

- Each link is uniquely trackable, which means you'll earn based on a shopper's final basket value, even if you linked to a different product
- You also get to utilize our exclusive consumer distribution platform, LIKEtoKNOW.it to reach highly engaged shoppers

 Create a LIKEtoKNOW.it post

- Download the rS publishing app where you will create your first LIKEtoKNOW.it post, allowing followers to instantly shop your content
- Follow instructions [here](#) on how to build your first LIKEtoKNOW.it post

 Prepare to receive payments

- Once you reach \$100 in closed commission sales, you'll receive payment via PayPal
- Manage your earnings from your personal rewardStyle analytics dashboard

Increase your chances of earning more and building your shopping audience by posting consistently on your LTK profile, and sharing links across your social channels!
