Payment Plans

Pre-Pay Packages

Charge Amount	# of Requests	Cost per Request	Suggested Use Case	
			Est. Yearly Users	Est. sq. ft.
\$3,000	1000	\$3.00	800	160000
\$5,000	2000	\$2.50	1600	320000
\$10,000	5000	\$2.00	3200	640000

*Any unused requests will rollover to the next billing cycle with 10% discount.

For example, if a company pre-pays for 1,000 requests and uses 950, they will have 10% discount for the next pre-pay package purchase.

*Any additional requests exceeding the pre-paid amount will be billed at \$5 per request.

For example, a company on the \$3,000/yr plan will get 1,000 included requests per year. If they send 1,050 requests, they will get billed \$5 for the 50 requests they use past the 1,000 mark. The total years cost will be \$3,250.
