## Miss the most...

- Friends
- Social Life
- Campus community
- Access to Resources
- Collaboration
- Freedom

## Most excited about...

- Studio classes
- Well-rounded experience
- “Normal” learning
- Living Independently
- Reuniting with others
- Sporting Events

**Almost half would feel safer if the Institutions had clear protocols in place** but most only feel it would make moderate to no difference.

**“Being on campus gives me motivation to achieve my goals,**  
however, online classes  
does not.”

## To be on campus I would compromise...

- In-person classes
- Packed lectures / events
- Changes in dining hall, residence hall and library

## To be on campus I would NOT compromise...

- School pride
- Meeting new people
- Sense of community
- Health of others
- Small group interactions

## I would feel safer if...

- PPE was provided
- Less people in bathrooms
- Distancing / sanitizing
- Disinfection at entrances
- Hands free technology
- Hybrid learning models
- More admin communication

“Availability of **PPE**, **complete quarantine at the beginning of the semester**, **limiting travel off campus**, **clear protocol with the medical center** on what to do if you have symptoms or suspect you have come into contact with covid, if it is possible in the future **widespread testing.**”

## Safer in Residence Hall if...

- Semi-suite / private bedroom
- Public areas protocols
- Isolation protocols / testing
- Daily temperature checks
- Disinfection an entries
- “No mask, no entry”
- Visitor restriction
- Less people
- Automatic doors

**Most would prefer a hybrid learning model** that has online and face-to-face with safety protocols.

**Most would prefer dining options that offer take out with pick up or delivery**, some are comfortable with eat-in with social distancing protocols and fewer would cook for themselves.

**Thank You.**
