## MISSION

## **New Members Recognition Ceremony (Southern Africa)**

**Welcome by Dr E Castleman.**

### **Dear New Member**

It is a special privilege for me to reach out to you. Greetings to you all. This is a virtual ceremony intended for the new members of the Golden Key International Honour Society based in Southern Africa, and to their loved ones watching with them. This is my welcome to you all.

On behalf of the Board of Directors, the International Headquarters, and the Southern African office, welcome to this online new member recognition ceremony. Accredited higher education institutes in Southern Africa are universities dedicated to quality education through academic innovation, research, and most importantly, student engagement. It strives for excellence and recognises your achievements – values that Golden Key hold dear.

I want you to know that membership to this society is a noteworthy achievement:

With less than 10% of our population having the chance to go to university, and only about 5% completing their studies and getting their degrees, you find yourselves in a very special position among the top 15% in your faculty. This is an extraordinary achievement to acknowledge and to celebrate, albeit during this bizarre and disruptive circumstances.

# KEYNOTE SPEAKER

Golden Key is the world's largest honour society, founded in 1977 at Georgia State University in the US. Golden Key's aims are simple: to recognise and encourage academic achievement, and to connect brilliant minds across the world. Today, you join a global network of over 2.4 million members, from about 400 universities worldwide. Your lifetime membership allows you access to countless opportunities including sponsorship and influential networks; developing leadership skills, accessing research funding, community service opportunities, and career development.

Golden Key's mission is to enable our members to realise their potential by connecting achievement with service and lifelong opportunity.

I thank the excellent leadership in our universities. I want to thank the committee members in particular for making this society what it is: they volunteered to be student leaders and worked very hard to help build Golden Key. Then there are the chapter advisors that have given their time, guidance, and expertise to this society. We are very thankful.

Good luck for your journey.

I thank you for joining us in this virtual ceremony.

Warm regards

**Dr Elmie Castleman**  
Director Southern Africa

## THE CHARGE

" You are now being inducted as a member of Golden Key International Honour Society. Your selection to Golden Key was based on that which you have accomplished. Membership in Golden Key is a privilege and an honour, which brings with it certain responsibilities.

Endeavour to maintain and promote high standards of academic achievement. Serve as leaders among your peers, as seekers of wisdom. The purpose of a university education is to enrich you as a person. More than the accumulation of facts, it is an integration of all your experiences in a determined learning process.

Be a person of good character, upholding high moral and ethical standards. Let honesty and fairness guide your every decision and excellence rule your every action. In this way, you and society will prosper.

Make a commitment to support the activities of Golden Key. Your leadership, organisational and communication skills will be refined, and new friendships will be gained. Through you, our Chapter can contribute in a very tangible way to the wellbeing of this university.

The key holder is a leader, but the greatest leader is the greatest servant. As a member of Golden Key International Honour Society, you have chosen to live as a seeker of wisdom with a lifestyle of service. You have demonstrated your ability; now fulfill your potential.
