

DEAR PARENTS!

Learning a language as a child is a wonderful opportunity, the benefits of which last a lifetime.

Moomin Language School is a digital language learning service in which your child will learn a new language through play by using a story-based learning application and taking part in playful group lessons.

The service is designed by a professional team of linguists, language teachers, early childhood educators and experts of state-of-the-art technology. We have 30 years of experience in digital language education. Moomin Language School is packed with original, high-quality learning content which your child will love.

We have created a unique immersive learning method which is based on research, and we have academically proven results from several countries across the globe.

Language learning has never been this fun and effective!
