STATISTICS
YOUR CHILD'S PROGRESS REPORTS

PROGRESS REPORTS

- After login, choose **Statistics** from the menu at the top of the page.
- On the opening page, you can view the reports on children's progress in the application. You can choose the time frame (week, month, or year) from the left-hand side of the page. Choose the week/month/year you want to view from the numbers at the top of the report view.
- You can switch between multiple children by choosing the child from the drop-down menu at the upper right-hand corner of the report view.
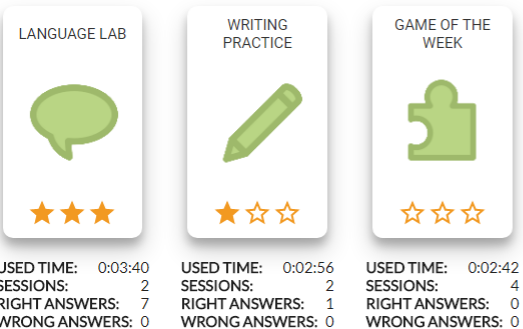

THE REPORT

- In the report, you can first see which week/month/year you are currently viewing, and how much time the child has used in the application during that time frame. In the week view, you can also see a list of all the new words introduced during that week.
