

Learn Together

VOLUME 2, ISSUE 4

We've been very busy over here at Yellowdig, working to bring you lots of new content and updates! Please take a look at the [e-book](#) we released this month which compiled interviews with instructors of many different backgrounds.

For current Yellowdig users, we also have a huge [product update releasing on May 3rd](#) that we highly recommend you learn about!

Thanks for reading,

Shaunak & Team **Yellowdig**

CONNECT LIKE NEVER BEFORE

Thrive through change -- and build healthy communities in an ever-shifting landscape

Spotlight

Recently Released E-Book Featuring Instructor Stories

Hear directly from instructors and administrators from across academia who have used Yellowdig to elevate connection and collaboration in their classrooms. The book features instructors from Clemson University, Drexel University, Padua Academy (a high school), and many others. They discuss topics including:

- How to be adaptable with modality and technology changes
- Creating a flexible community for time and geography, including for language education across countries
- Using Yellowdig for classes in STEM, Business, English, History, & more

Yellowdig Guest Webinar: Salem State University

Gayle Fischer, professor from Salem State University, Department of History shared her first-hand account of the genuine **community** that formed in her Yellowdig communities, where students discussed pressing topics relevant to her history courses, and how Yellowdig shaped her experience as a professor on the **deaf-spectrum**.

“Although not designed to serve those on the deaf spectrum, Yellowdig allowed me to communicate with my students without barriers.” ~ Gayle Fischer
