Rethinking Virtual Learning With Less Zoom

Zoom is a great tool when used in moderation. Limiting use of Zoom for classes is preferred by most students and professors. Learn why from a new Yellowdig team member who experienced the transition to virtual learning as a recent graduate from the University of Delaware. See how you can optimize your classroom next semester in our most recent blog post.

Webinar on Using Yellowdig as a Help Forum

If you did not get a chance to attend our webinar at the end of October with Dr. Hart speaking about finding a way to enable her online master class students to collaborate and converse. Dr. Hart found success by using Yellowdig for students to answer each other's questions in a very interactive way.
