# Android TV Remote Cervino Hybrid

## Elegant and pure

The well-balanced key layout and grip of the remote creates a simple looking remote that matches the Android TV experience.

Cervino Android TV is an elegant and pure Android TV remote control. Detailed design of the D-pad gives the user perfect navigation, even without looking at the remote. Easily integrate with any Android TV STB using UEI Real-Time Configuration tool. Ergonomic design and cost effective, with fast time-to-market.
