

TiVo Remote Control Tivo S5 Netflix

TiVo® Remote Controls with iconic TiVo experience

The TiVo S5 Remote is designed for the iconic TiVo user experience with the addition of RF4CE for point-anywhere control. Designed in conjunction with TiVo, this remote is fully certified to their functional requirements and is available in a version that features a dedicated Netflix button for easy access to Netflix video content.

Iconic TiVo® experience unique industrial design and functions

The TiVo S5 Remote closely follows the strict design guidelines that are integral to the famous TiVo user experience. This includes remote shape, size, key layout, and key functions including: TiVo Key, Thumbs Up/ Thumbs Down Keys, Peanut-Shaped Design, Gripped Waistline and Setup Methods.

RF Control for RF-enabled boxes control hidden TiVo boxes

With integrated ZigBee™ RF4CE, the TiVo S5 remote can control RF-enabled set-top boxes including:

- Pace MG1 Gateway
- Pace Mi3 Client

Quickly locate the remote with the find-me feature

Leveraging a bidirectional RF-connection between the TiVo set-top box and TiVo S5 remote, finding a lost remote is a snap. Trigger the FIND ME function from the front panel of a compatible RF-enabled TiVo STB and the remote will respond by playing the familiar TiVo jingle so you can follow the sound to the missing remote.
