TiVo Remote Control Tivo S6Z

TiVo® Remote Controls with iconic Tivo experience

The TiVo S6Z Voice Remote is designed for the iconic TiVo user experience with the addition of voice search capabilities. Designed in conjunction with TiVo, this remote is fully certified to their functional requirements and it features a dedicated Netflix button for easy access to Netflix video content.

Iconic TiVo® experience unique industrial design and functions

The TiVo S6Z Voice Remote closely follows the strict design guidelines that are integral to the famous TiVo user experience. This includes remote shape, size, key layout, and key functions including:

- TiVo Key
- Thumbs Up, Thumbs Down Keys
- Peanut-Shaped Design
- Gripped Waistline

RF control for RF-enabled STB's

Control hidden TiVo boxes with integrated ZigBee™ RF4CE, the TiVo S6 Voice remote can control RF-enabled set-top boxes including:

- Pace MG1 Gateway
- Pace Mi3 Client

Voice Control

Use verbal commands to search for content or to tune to any network using Universal's proven reliable voice remote control architecture.
