CHILD SEX TRAFFICKING IS NOT A CONSPIRACY, IT’S AN EPIDEMIC.

Fact:
Children are being trafficked for sex in all 50 states, from cities to rural areas and everywhere in between.

10 years old
Traffickers of children under the age of 10 are almost exclusively family members.

1 in 6
Victims trafficked under the age of 12.

16,000
Children identified using Thorn’s tools. Most of these stories will never be covered in the news.

73%
Of victims said their trafficker told them they loved them.

83%
Of victims said their trafficker bought them things.

88%
Of victims said they would not want their trafficker prosecuted.

Technology has changed the landscape.
We must redesign our approach to addressing child sexual exploitation for the digital age.
