

HAVE YOU COMPLETED YOUR OPEN ENROLLMENT?

EVERYONE NEEDS TO COMPLETE OPEN ENROLLMENT! For most people, open enrollment will be the only time each year that they can make changes to their benefit elections, such as adding or removing dependents from coverage or electing the CIGNA PPO or KAISER HMO benefit option. Only individuals who experience a “Qualified Life Event” will be able to make mid-year changes. Even if you don’t want to make changes, we still need you to verify that the information that we have on file is complete and up-to-date. For your 2021 coverage, completion of Open Enrollment will be **mandatory** to enroll your dependents for coverage, meaning if you don’t complete your enrollment, you will receive employee-only benefits in 2021.

**THE DEADLINE FOR OPEN ENROLLMENT HAS BEEN
