**Valid August 1-31, 2020.** Promotion valid on website orders and phone orders. Not valid with any other discounts or promotions. While sale items count towards your overall shopping cart total, the 15%-25% discount will only apply to **regular priced items** in the shopping cart. The spend amount (\$500, \$1000 or \$1500) is based on a one time purchase, not accumulative over the month of August. No discount will be applied to an item marked on sale.
