Spa Series Hands Free Lift Back Electric Table

The elegant design of our Spa Series Hands Free Lift Back Electric Table is ideal for spas or practices where style is as important as function. The custom gray base and design plates offer a sleek alternative to our classic base. The elegant foot bars along each side allow therapists to move freely around the table for a more fluid client experience. This series features our most desirable upgrades: Deluxe Adjustable Face Rest Base and Natural Touch Urethane upholstery in an exciting new color palette. With a 650 lb. lifting capacity, our Signature Spa Series Hands Free Tables prove you really can have it all.
