# Thera-P™ Electric Treatment Table

The Thera-P Electric Treatment Table is ergonomically designed to easily and comfortably treat a wide variety of clients in a number of different positions. The adjustable height and three cushion configuration allows massage therapists to modify the table to meet their specific massage needs. From sports and tai massage techniques that focus on certain body parts to reflexology techniques that require a higher range of flexion/extension, this table will prove to be a valuable addition to you and your clients.
