People & Places

Wausau Coated Products

Wausau Coated Products, a manufacturer of adhesive-based label products, has promoted Adam Frey to Business Manager responsible for roll sales.

Frey will be responsible for the roll pressure-sensitive and flexible packaging product palette and direct customer relationships across North America.

In addition, Wausau has promoted Gretchen Kray to Business Manager for distribution products.

Kray will be responsible for the sheet product mix and merchant relationships across North America and will manage the distribution sales team.
