

# HOW TO ASSEMBLE THE BETTER BOX

**First, fold down the tabs on either side.**

**Fold the crease where the lid attaches to the base so the lid can bend easily.**

**Lower the lid and insert the front tab into place.**

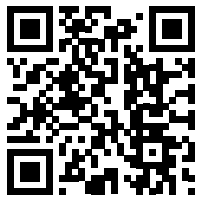

**Next notice the 2 tabs on the top of the lid. Press these down until they click into place.**

**And last but not least, hold down the top of the lid and click the front tab into place with your thumbs**

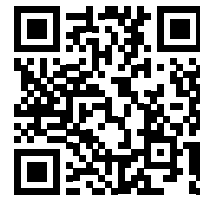

**That's it! Now you have a perfectly assembled Better Box.**
