This list of Frequently Asked Questions (FAQs) answers common questions about SVOG program after your funding request is approved by SBA.

FAQs for SVOG Awardees

1. **I received my notice of award. When will I receive the funds?**
   You will need to sign and date the Notice of Award, initial and sign the Program Assurances, abide by any pre-disbursement conditions, and submit any other necessary documentation. After all documentation has been received and SBA receives a successful payment file, a disbursement would process the next business day via Automated Clearing House (ACH) (e.g. received Friday would go out Monday and the following business day after a federal holiday). Most banks show funds that day, although some may have a day or more delay.

2. **I’ve received my funding. What do I do next?**
   Following your notification of SVOG approval, you will receive a link to the Post-Award Information Session. This video will provide the information that you will need as a grantee.

3. **What do I need to do to stay in compliance?**
   You will need to review the allowable uses of funds and maintain documentation that you used grant funds for allowable purposes. You will also need to maintain any other documentation pertaining to your grant award, including employment records and eligibility records.

4. **If I have holds listed as my status in the SVOG portal, what do I need to do to get those cleared?**
   If you log into the SVOG portal and see a hold status, you will soon receive an email from SBA. This email will provide further information on how to address your hold and the applicable timeline to clear the hold. Note that timelines to clear the holds will not begin until you receive the email.

5. **Is there a user guide for uploading documents after receiving an award?**
   No. Requests for information will differ based on the application. Specific requests for uploading documents into the SVOG portal will come with instructions for uploading the requested documents.

6. **Will there be supplemental funding?**
   If supplemental funding becomes available, SBA will make public announcements by press releases and on social media.
7. **Where can I get technical assistance with post award requirements?**
   The SVOG Customer Service Center can assist you with your questions by calling 1-800-659-2955 or emailing svogrant@sba.gov. For more in-depth assistance, contact an [SBA District Office or SBA Resource Partners](www.sba.gov/local-assistance).

8. **What documents or information will I need to submit to receive subsequent disbursements?**
   In order to receive subsequent disbursements, you will need to upload a copy of your filed 2020 federal income taxes (if not already provided); a Form SF-425; a brief narrative describing your expenditures; and documents such as receipts, invoices, or statements to support your expenditures.

9. **What do I need to do after my final disbursement?**
   Within 15 days of expending all of your SVOG funds, you will upload a Final Form SF-425; a brief narrative describing your expenditures; and documents such as receipts, invoices, or statements to support your expenditures. You will also answer 2-3 questions regarding the impact of your SVOG award. Grantees that expended $750,000 or more in federal funds during the fiscal year will be required to obtain an external audit and submit information regarding this audit to SBA.
