[We prepare you to be successful.](#)

AI DRIVEN TECHNOLOGY SERVICES

Offer your customers technology solutions only available from NuMSP. Enjoy being a difference maker.

YOUR OPPORTUNITY

Making serious \$ is simple. After participating in our “best in class” sales and technology training, you will begin calling and meeting with business owners in your local market.

NuMSP provides a CRM and software enabled dialer to increase your productivity.

Have a personal network with SMB owners? Great! Contact them as well.

NuMSP provides SEO and other marketing leads to our local BDM team members.

Your meeting with business owners includes a consultative approach to uncovering problems with their technology (don't worry, we teach how to do that in training as well).

Over 90% of SMB are at risk due to poor security and technology solutions.

After identifying the problems, show them how NuMSP provides the industry's leading technology services solution. Its that easy!

How quickly will you make money? Here's the best part – our service is so superior, that the average time to close a deal is only 7 days!

We have months that more than 30% close the same day the initial meeting was held. Literally, you will meet with a business owner for the first time and walk away with a signed contract – the same day!

You've seen the graph on the first page – **Let's explain how you will make money.** The earnings are based on signing a \$1500/month customer –the average amount you will experience. The model includes only 1 new customer in months 1&2. Months 3&4 ramp to only 2 new contracts/month. After that, only 3 new contracts/month. The closing ratio for the projected earnings is set at less than 10%. As you can see, the number of new appointments ramp-up to only 35/month which is only 8-9/week.

Now that you've confirmed the numbers in the model are attainable, see exactly how your \$ is earned. Every company is charged a set-up fee equal to one month of service. You will receive 70% of that amount. The set-up fee amount each month is based on the 70% of the new contracts each month.

	Month 1	Month 2	Month 3	Month 4	Month 5	Month 6	Month 7	Month 8	Month 9	Month 10	Month 11	Month 12
Appointments Run	15	20	25	30	30	35	35	35	35	35	35	35
