A RETURN TO VOLUNTEERING

Simple online attendance tracking, secure reporting and merchandise and apparel kits to keep your volunteers safe from COVID-19.

1. Return to play packs

Provide your volunteers with the appropriate PPE gear so that they feel safe whilst volunteering including gloves, hand sanitiser, masks and more.

2. Deliver to their door

Minimize the chance of contagion by mailing out volunteer packs in advance so that volunteers are well equipped long before they commence their shift.

3. Remain safe

Event organisers can also coordinate posters, plastic shields and rubber markers for social distancing to ensure that volunteers health and well being is considered and maintained from start to finish.

1. Reliable Attendance Tracking

Track attendance records through a simple check in and out platform for your players, volunteers, coaches, parents and administrators in real time.

2. Secure Reporting Platform

Easily record attendance, search by date and communicate directly with players, coaches, administrators, parents and officials.

3. Simple Data Recording

Import your club data and create custom registration forms and questions, Rosterfy can be used to capture the data that you need to ensure that your club operates in accordance with government guidelines.
