

Large scale & international events

www.rosterfy.com

Engage and retain your volunteers.

Rosterfy's effective scheduling tools help to replace manual processes, allowing large scale and international events to focus on what's important - like engaging your volunteers.

Large scale and international events use Rosterfy to:

- Replace manual processes with automations
- Screen and schedule volunteers
- Create and send personalized communications
- Reward and recognize your volunteers
- Manage large teams remotely

Control your workflow.

Simplify complex scheduling

Create schedules for your event using automations to simplify your volunteer management. From recruitment, screening, training & communications, Rosterfy has got you covered.

Engage & retain

Volunteers love Rosterfy's user friendly portals, providing a central platform to apply for shifts, complete training modules and access important communications.

Effectively manage your team

Manage multiple projects simultaneously with the ability to create sub accounts and delegate permissions as required.

Reward & recognize volunteers

Show your volunteers you care with Rosterfy's reward and recognition functionality enabling you to give back to your volunteers in exchange for achieving certain milestones.

ROSTERFY CASE STUDY

73.5%

Attendance rate
during COVID-19

"If I didn't have this tool [Rosterfy], I don't know how I would have been able to manage all the pieces."

In a year unlike any other, Rosterfy was selected as the volunteer management solution for The Tampa Bay Super Bowl LV, hosted by the Tampa Bay Super Bowl LV Host Committee.

Delivered in amongst the thick of the COVID-19 pandemic, Rosterfy enabled the Host Committee to take their volunteer management program online, enabling them to recruit, screen, schedule, train, communicate and manage the 8,000 volunteers required to power the Super Bowl Week.

"One of my favourite features of Rosterfy, and I legitimately call it my administrative assistant, is the reporting feature."

Lisa Urban, Director of the Community Ambassador Program, The Super Bowl LV
