Squads

Squads provide a high-energy, fun, and competitive element to Passion Camp! Students are grouped into teams and led in large group activities as they compete throughout the week.

As stated above, creating a safe environment for everyone at Passion Camp in the midst of COVID-19 is our top priority. The Passion Camp Team is currently evaluating and creating a plan for Squad Wars to safely take place. Be watching for updates and information about Squad Wars to come in the weeks ahead.

Family Groups

Everyone benefits when they have the opportunity to process, share, and ask questions. Every afternoon and evening of Passion Camp, time is dedicated for our Family Groups to meet and grow together. Our Team will provide questions for our Family Group Leaders to help guide the discussion, but will allow them the freedom to lead in a way that is best for their specific group.

Family Group time will happen in each groups hotel room, and it is our hope that we will also have larger Church Group time with our Passion Students Family throughout the week. This will be determined closer to Passion Camp, as we continue to evaluate.
