This is to certify that the

## Information Security Management System

Of

**eSpatial Solutions Ltd and eSpatial Inc  
(trading as eSpatial)**

At

Office 3, Second Floor, Chamber Buildings, North Street, Swords, Co. Dublin

Has been assessed by Certification Europe and deemed to comply with the requirements of

### ISO 27001:2013

This certificate is valid for the activities specified below:

**The scope of the ISO/IEC 27001:2013 certification is for the provision of the Information Security Management System (ISMS) for eSpatial's online mapping application and eSpatial's services and includes the documented policies, procedures, and controls that are implemented at the organisation's worldwide corporate headquarters.**

Certification to the standard is made under the Statement of Applicability (version v2) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.

The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
