

# Continuously Meet Demand with the Nation's Largest and Safest, Qualified Driver Network

## Truck Drivers are a Vital Component of Your Supply Chain

Shifts in supply and demand put significant stress on motor carriers. Peak seasons, vacations, and call-offs put your ability to deliver to customers at risk. TransForce Groups helps carriers like you eliminate that risk with our specialized staffing services – allowing you to tap into our extensive network of pre-vetted, ready for dispatch, CDL drivers.

### Continuously Meet Demand

Whether its peak season, or you need a flex driver available on back-up – we have a staffing option to help you meet demand.

### Fill Your Trucks Quickly

With over 4,000 drivers dispatched daily and 10,000 employed annually, we can help you fill your trucks in a pinch with certified, safe transportation professionals.

### Partner with a National Team Offering Local Support

Serving more than 250 markets through our 60 branches across the United States and Canada – you can rely on our team to be there when you need it.

## Protect your supply chain.

### How It Works

TransForce Group's Specialized Staffing Services are tailored to meet your business needs and budget. Our drivers are vetted for qualifications and compliance prior to dispatch, ensuring you've always got the right professional to get the job done.

Short-Term Drivers	Long-Term Drivers	Temp-to-Perm Drivers
Less than 80 hours per month.	90+ day assignments.	Trial before transition to FTE.

## Why partner with TransForce Group?

Quality	Coverage	Safety
Our drivers are the safest in the industry, with the lowest DOT recordable accidents among private fleets for 9 consecutive years.	We have safe, ready-to-work drivers available in 250 markets served in the U.S. and Canada.	Every TransForce Group Driver completes a 3-step screening process prior to dispatch, ensuring their qualifications and DOT/FMCSA compliance.
