MO	Kraft/Heinz Not GPS Friendly	2505 N. Industrial Rd, Kirksville, MO 63501 Coming from the south (NB), you can take the Baltimore Street exit, but Baltimore is riddled with potholes right now. 63 will divide into 2 lanes. Keep left. Continue north on the 63 Byp past 3 intersections (no stop lights or signs) and exit to the right after 3rd intersection. Hang a left at end of ramp and continue until stoplight at Walmart then see below for remaining directions. Coming from the north (SB) on US 63, take the 1st exit for Baltimore St. Keep right onto Baltimore. Take a right at 1st stoplight onto Hwy 6 W (Walmart on left. Suggestion: do not try to turn left into Walmart during heavy traffic.) From Hwy 6 W, turn right at 1st light onto Hwy B/Industrial Rd. You'll see signs for Kraft/Heinz truck entrance. Parking area will be on left. You'll see it. Ignore No Overnight Parking signs. Those were meant for the dead end street and not for the lot.	Truck Parking. Guard shack has menu of places that will deliver. The Kirksville Walmart does not usually bother trucks, but, they are getting lawn and garden stuff in and there's reduced room for delivery.
