

# Coronavirus (COVID-19) Outbreak Control Process – *Out of Contracted Cleaning Hours*

The process below outlines the steps to take place should a coronavirus outbreak be confirmed at a client premises outside of cleaning hours:

## PHE Information and Advice

If there is more than one case of COVID-19 in a workplace, employers should contact their local health protection team to report the suspected outbreak.

A close 'contact' is a person who has been close to someone who has tested positive for COVID-19 anytime from 2 days before the person was symptomatic up to 10 days from onset of symptoms (this is when they're infectious to others).

# Coronavirus (COVID-19) Outbreak Control Process –During Contracted Cleaning Hours

The process below governs the steps to take place should a COVID19 outbreak be confirmed at a client premises during contracted cleaning hours:
