

**COMPUGÉN**  
Innovate. Inspire. Impact.

---

Redefining  
**Your Customer**  
**Experience**

We believe every day we have, is another opportunity to innovate, inspire, and impact the world for the better.

# Our Story

Unique. Socially Responsible. Human.

## Our History is Unique

From a small operation in Toronto to one of Canada's largest IT service providers, we've come a long way in the last 35 Years. In 2015, The Compugen Group of Companies grew and Compugen Systems Inc. (CSI) was born. By coupling innovative technology-based services with our belief that we are destined to do inspiring work; *we turn what was once unreachable into the achievable.*

## Our History is Underscored with the Mission of Social Responsibility

We believe every day we have, is another opportunity to **innovate**, **inspire**, and **impact** our world for the better. We will have a positive, rippling impact on the world around us; *each and every day.*

## Our History is Human

The history of our company is rooted in humanity. With a culture built on creative and curious minds, CSI is transforming customer service into *your uniquely crafted human experience.*

### Innovate

We strive to push traditional boundaries, challenge the status quo, and achieve your business outcomes. *To turn "what if" into "what next?"*

### Inspire

At Compugen, creativity replaces complacency, purpose drives passion, and impact inspires results; *for all that we do.*

### Impact

We measure success by experiences, engagements, and conversations that *create a positive, rippling impact on the world around us.*

# Our Portfolio

Creativity. Possibility. Progress.

## Modern Workspace

Reframe the future of work with new work styles that meeting the changing demands of your employees and your business. Compugen's Modern Workspace solutions integrate strategy with policy, technology with change management, and collaboration with employee engagement. Put your people first.

## Hybrid IT

We'll meet you where you are and get you where you want to go. From initial migration through a total transformation, the cloud is at your command. You set the pace, you determine the budget, you make the rules.

## Networking

*Simplify, Centralize, Automate, Respond*

Compugen's Network of ONE providing managed LAN with Modern WAN and Enterprise Anywhere to deliver you a power-house solution built specifically around the needs of today's modern workforce.

## Security

Compugen's Cybersecurity Lifecycle Framework (CLF) is a layered security service approach crafted to guide you through the continuous process of detecting, preventing, analyzing, and responding to information security threats.

# Service is **Our Craft**

Transforming Customer Service into Your Uniquely Crafted Human Experience

## Managed Services

Our Modern Support and Managed Services model is built on White Glove Service, Pragmatic Innovation, and Right-Sizing to optimize and automate for improved economics and user experience. This allows your IT team to focus on their strategic contribution to your company's bottom line.

## Professional Services

We are here to help you define your Problem Statement. We work with you to assess your business outcomes, and provide a quality driven methodology for implementation that includes; planning, migration, and user adoption, so that envisioning translates to measurable returns on investment. This provides a seamless experience for you.

## Field Services

Let us be an extension of your IT team augmenting your staff and amplifying your business agility with project deployments, on-site support, and even after hours coverage. Offload ad-hoc scheduling, parts logistics, and talent management across North America through our safe and secure concierge approach.

At Compugen Systems, Inc. we're redefining the customer experience; *your experience.*

Through cloud-based connections and as-a-service offerings, from a modern workplace to hybrid IT, from vision to reality, and opportunity to impact, we will make a positive, rippling impact on the world around us.
