

**Fi-Tek
Statement
Outsource
Solutions.**

imsdirect.com

IMS, Inc. prides itself on a commitment to service excellence. With continued investments in technology, people, and process, the IMS + Fi-Tek Statement Outsource Solution can deliver improvements to your bottom-line and positively impact your customer's experience.

Reporting & Notifications

Status updates and reporting will provide an audit trail of your production.

Enhanced Presentation

Statement improvements will showcase the FI's brand and boost readability.

Cost Reduction

Significant savings through outsource processing efficiencies and mailing options.

Expedited Mail Delivery

Our pre-sort operations provides an expedited mail delivery service and postage discounts.

Operational Efficiency

Alleviate the burden on your internal staff so employees can devote their time to higher-value projects.

Compliance

Improve transparency while meeting compliance and security requirements: SOC I, SOC II TYPE 2, PCI DSS, HIPAA, FISMA/NIST.
