

Mission: To provide the best feeder solutions, and be the feeder carrier of choice.

Core Values: To ensure **Integrity** by delivering what we promise and be **Service Oriented** by putting our customers before us, always going the extra miles to service their needs.

Vision: To be the world's most geographically diverse common carrier.

Internship

General Information

Main function: Trade

The Line department manages the core business activities contributing to the profitability of the company's shipping services by running of assigned services in a profitable manner and ensure constant dialogue with stakeholders, vendors and customers (principal and agency). It is reactive to market changes in order to ensure improved service volumes, scope, efficiencies and profitability.

Purpose of the internship: To have an overview in ship operations, yield optimization, principles of pricing and trade strategy. As the Line department works in close collaboration with various parties across the business region to achieve profit and growth performance indicators, the intern will have the opportunity to be immersed in a dynamic, international and multicultural environment.

Reports to: Line Manager
