Sweden*

Introduction

Cookies are used by DigiExam to provide service functionality such as authenticate you to the service, authenticate you to our in-app chat service provided by Intercom and gather anonymous data regarding the usage of the service using Google Analytics. The anonymous usage data is collected so we can understand the user behaviour and improve the user experience.

The following cookies are used in DigiExam:

Cookie name	Purpose
user	Stores encrypted session data to authenticate users
role	Stores encrypted session data to authenticate users
ItiNodeId	Stores encrypted session data to authenticate users
language	Stores your preferred language settings
recentRole	Stores your last selected role
region	Stores your last selected region
_ga	Used by Google Analytics to track user behaviour anonymously
_gid	Used by Google Analytics to track user behaviour anonymously
intercom-* (multiple cookies)	Used by Intercom to authenticate users for the in-app chat

Contact us

If you have any questions or concerns regarding our usage of cookies you are free to contact us by sending an email to privacy@digixam.se.
