Business Bill Pay Makes Managing Your Accounts Payable Fast, Easy, and Secure.

With powerful business-focused capabilities and customizable options, Business Bill Pay gives you greater control over your expenses.

A BETTER WAY TO PAY BILLS AND INVOICES

Business Bill Pay lets you control what is paid, how much is paid and when it's paid.

- Make payments more quickly and easily
- Get anytime, anywhere access online for more convenience paying your bills
- Depend on added security because paying bills online is safer than mailing checks
- Save time by conveniently importing payees from Quicken® or QuickBooks®
- Easily set up recurring payments for monthly bills

DELEGATE TASKS AND SET PERMISSION CONTROLS

You maintain control of all the settings.

- Delegate the payment tasks you want such as paying utilities and suppliers, running reports or accessing payment history
- Establish different user permissions to determine who can pay certain bills and what their payment limits are
- Set up final approvals so you can give the go-ahead before any payments are made

INSTANT INFORMATION WITH CUSTOMIZED REPORTING

Access the information you need, whenever you need it.

- Run audit reports and customize them for the precise payment information you need
- Track your company spending and payment history in just a few clicks
- View the payment activity of authorized users and keep track of the payments they have made
- Greatly reduce your paperwork and minimize manual record keeping
