

Dentsply Sirona COVID-19 Visitor Information and Health Screening Questionnaire

Updated: January 18, 2022

The safety of our employees, supplier partners, customers, families, and visitors remain Dentsply Sirona's overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spread globally, Dentsply Sirona is monitoring the situation closely and will periodically update company guidance based on current recommendations from recognized global health organizations. Only business critical visitors are permitted at any Dentsply Sirona facility at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we require all visitors to review this document and complete a simple screening questionnaire found on the reverse side not greater than 24 hours in advance of arrival to the Dentsply Sirona site, ensuring the information remains accurate upon arrival. Your participation is important to help us take precautionary measures to protect you and everyone in this facility. Thank you for your time and understanding.

What general protective measures can I perform to protect myself from coronavirus?

- Wash your hands frequently throughout the day with soap and water for at least 20 seconds.
- Maintain social distancing, 6 feet or 2 meters where possible.
- Disinfect frequently touched objects and surfaces to help prevent the spread of the virus.
- Avoid close contact with people who are sick, cover your cough or sneeze with a tissue, and avoid touching your eyes, nose, and mouth.
- Stay home when you are sick and seek advice from your doctor or hospital.
- Wear a face mask.

What are the symptoms of the coronavirus?

Common Coronavirus symptoms include fever, cough, loss of taste, shortness of breath, a feeling exhaustion or other cold or flu-like symptoms. according to the U.S. Centers for Disease Control and Prevention. Symptoms may appear 2-14 days after exposure.

What are the countries of concern relative to returning from travel identified by U.S. Centers for Disease Control?

There are multiple countries around the globe for which there are changing travel advisories issued associated with Coronavirus. We will request that you provide information on the reverse side of this document associated with cross-border travel that you have conducted during the past 14 days for our evaluation of Coronavirus risk in accordance with global travel advisory data.

Are there any restrictions currently on bringing visitors to Dentsply Sirona's facilities?

Yes, to help protect our team, only visitors working on business-critical projects will be asked to come to and permitted at Dentsply Sirona facilities. Additionally, visitors entering Dentsply Sirona locations are required to complete a simple health-screening questionnaire on the reverse side of this document and, depending on the information provided, could be denied entry and asked to complete necessary work in an alternative way if possible. The completed questionnaire will be maintained in accordance with applicable privacy and document retention policies.

Is Coronavirus-specific Personal Protective Equipment (PPE) required to visit Dentsply Sirona facilities?

Dentsply Sirona follows all applicable government mandates associated with preventing Coronavirus infection. Individual facilities can advise you on local procedures and provide required PPE for your use while visiting.

Information collected and evaluated associated with this form will be limited to those Dentsply Sirona personnel who require the information for decision-making relative to visitor COVID-19 risk. The form (hard copy and/or electronic files) will be properly destroyed following your departure in accordance with local personal data management requirements.

PLEASE COMPLETE THE QUESTIONNAIRE ON THE REVERSE SIDE AND PROVIDE TO YOUR DENTSPLY SIRONA HOST NOT PRIOR TO 24 HOURS IN ADVANCE OF YOUR ARRIVAL, ASSURING THE INFORMATION REMAINS ACCURATE FOR THE VISIT
